
BIO-DATA OF DR. C.P. THAKUR

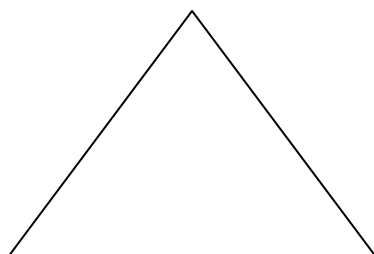

1. **Name** : **Dr. C. P. Thakur (Dr. CHANDRESHWAR PRASAD THAKUR)**
2. **Permanent Address** : **Balaji Utthan Sansthan, Kala-azar Research Centre "UMA COMPLEX", Fraser Road, Patna – 800 001, Bihar, India.**
Tel: 91-612 – 2226545 (O)/ 2221797 (R)
Fax: 91-612-2239423
Email : - cpthakur1@rediffmail.com
thakurcp@gmail.com
Website: - www.bus.org.in
3. **Delhi Address** : B-5, Dr. Zakir Hussain Marg, New Delhi – 110 003.
- : **Chancellor, Central University of South Bihar**

4. AWARDS

INTERNATIONAL AWARDS

- Lifetime Achievement Award for contributions made in the field of Kala-azar (Visceral Leishmaniasis) Research, at the 6th World Leishmaniasis Congress held under the aegis of DNDi, a WHO backed organization, on 20th May 2017, at Toledo old capital of Spain. Three persons were selected and invited for this award, Dr. C. P. Thakur from Asian Continent, Dr. Rahman from African Continent and Dr. Rio from the Continent of Europe. Dr. Rio died 10 days before the award was given and his son got the award.

Dr. C. P. Thakur (Asian Continent)

Dr. Rahman (African Continent)

Dr. Rio (European Continent)

- Outstanding Clinical Investigator Award 53rd (Kala-azar) Annual meeting of American Society of Tropical Medicine and Hygiene, USA year 2007.

WHO ASSIGNMENTS:

- Member Scientific Working Group, WHO, Geneva
- Member Expert Committees WHO, Geneva.
- Member of Kala-azar expert group for 6 years WHO, South East Asia Region.
- Invited to write a book on kala-azar- Technical report series.

RESEARCH ASSOCIATION AND INVITATION FROM WORLD HEALTH ORGANIZATION, GENEVA

- Invited by WHO to write first recommendation on the treatment of kala-azar, 1982 in: Informal meeting on the Chemotherapy of visceral leishmaniasis WHO, Geneva TDR Chem Leish VL 823.
- Member Scientific Working Group, WHO Geneva, 1983
- Member Steering Committee on VL, WHO, Geneva, 1983-85
- Member Experts Committee on Kala-azar (VL), WHO 1988-1992, 1992-1994, 1994-1998, 1998-2002, 2002 to 2006, 2006-10
- Invited for writing a book on "Control of the leishmaniasis 1990" Technical Report Series 793, WHO, Geneva
- Principal Investigator of WHO for trial of new drugs for treatment of kala-azar, 1998-2000, 2002 & 2004.
- Invited to write a book on kala-azar 2010 by WHO, Geneva- Tech Report Series.
- Invited by TDR, Geneva to give a lecture on history of Kala-azar in India and abroad.

Research meeting and visits to foreign countries e.g. U.S.A., U.K., Russia, China, Brazil, Nepal, Sri Lanka, France, Germany, Switzerland, Kenya and Bangladesh etc connected with kala-azar research.

1. Attended Meeting of the Data Safety and Monitoring Board for Drugs for Neglected Diseases Initiative (DNDi) VLCOMBO-07 at the London School of Hygiene & Tropical Medicine on 29-30 June 2009.
2. EHRLICH II, 2nd World Conference on Magic Bullets, Oct 3-5, 2008 Nuremberg, Germany.
3. Attended 53rd Annual meeting of the American Society of Tropical Medicine & Hygiene (ASTMH) held at Miami, Florida, USA from 7th – 11th Nov., 2004 and received "**Outstanding Clinical Investigator Award** for advancement of Paromomycin as Clinical trial in VL cases in Bihar" by the Institute for One World Health (iOWH), San Francisco, USA
4. Attended Principal Investigators meeting of Paromomycin phase IV drug trial, organized by iOWH, San Francisco, USA in Atlanta from 12-15 Nov. 2006.
5. Dr. C. P. Thakur, as Chairman of the Balaji Utthan Sansthan participated in the conference of 55th American Society of Tropical Medicine and Hygiene, held at Atlanta, USA and delivered a lecture on treatment of kala-azar. (12-16 November 2007).
6. Dr. C. P. Thakur, as Chairman of the Balaji Utthan Sansthan, participated in the conference of 56th American Society of Tropical Medicine and Hygiene, held at

Philadelphia USA and gave a presentation on the treatment of kala-azar and co-chaired a Session on Treatment of Leishmaniasis. (04-08 November 2007).

7. He also participated in Principal Investigators meeting of Miltefosine, at Philadelphia, USA which was held under the auspices of World Health Organization, Geneva and reviewed the progress of research work done on miltefosine in India, Bangladesh and Nepal in the treatment of PKDL, 7th Nov. 2007 at Philadelphia, USA.
8. Attended “Workshop on kala-azar control” which was held from 8th to 16th June 2009 in Dhaka, Bangladesh. The workshop was organized by the ICDDR, B and was jointly supported by the UNICEF/UNDP/World Bank/WHO Special Programme for Research and Training in Tropical Disease (TDR), and GTZ-Germany.
9. Attended Third Meeting of the Regional Technical Advisory Group (RTAG) on Elimination of Kala-azar at Dhaka, Bangladesh, 8-11 December 2009.
10. Attended as member, a WHO sponsored meeting held at Kathmandu on 30th October to 02nd November 2006. This Second Regional Technical Advisory Group (RTAG) meeting was on Elimination of Kala-azar.
11. Attended as member, a South East Asia WHO sponsored meeting at Kathmandu in July 2007 to review the situation of kala-azar in Bihar, Bangladesh and Nepal and a plan was formulated to eliminate kala-azar from this region. Members from Bangladesh, India, Nepal, WHO Geneva WHO Delhi, England and United States attended this meeting.
12. Attended First meeting of the WHO (South East Asia) of the Regional Technical Advisory group on Kala-azar which was held on 20-23 December 2004 at New Delhi. This meeting discussed the steps which will be taken in implementation of elimination of kala-azar from India, Nepal and Bangladesh.
13. Attended Meeting at Kathmandu from 12-15 July 2011 of the Regional Technical Advisory Group on elimination of Kala-azar from India, Nepal and Bangladesh.
14. Attended Meeting at Bhutan from 17-19 September 2013 of the Regional Technical Advisory Group on elimination of Kala-azar.
15. Attended Meeting at Italy on Workshop on Leishmaniasis Vaccine on 18 Nov. 2013 at Catania, Italy.
16. Attended Meeting at New Delhi on March 2014 to formulate Regional Strategic framework for elimination of Kala-azar from South East Asia.
17. Attended Meeting at New Delhi on 25th to 27th March, 2015 to formulate Regional Strategic framework for elimination of Kala-azar from South East Asia.
18. Attended Meeting of Dr.J.C.Ray Oration for the year 2015 on 9-10th of April, 2015 at CSIR-IICB, Kolkata.

NATIONAL AWARDS FROM GOVT. OF INDIA AND OTHER INDIAN ORGANIZATIONS

- Padmshree- 1982, Govt. of India. When he was Professor of Medicine.
- Dr. B. C. Roy National Award by Medical Council of India (Outstanding Medical Teacher) 1983. When he was Professor of Medicine in Patna Medical College.
- Prof B K Aiket Oration Award, Indian Council of Medical Research (Kala-azar Research), 1984; for outstanding research in Kala-azar as a Professor of Medicine.
- Dr. P. N. Raju Oration Award, Indian Council of Medical Research (Kala-azar Research), 1990; for outstanding research in Kala-azar.
- Prof. S. C. Seal Award, Voluntary Health Association of India (VHAI), for outstanding Public Health Work, 2001 as a Professor Emeritus in Patna Medical College.
- Honorary fellow of the National Academy of Medical Sciences (India), 2001 as a Emeritus Professor of Medicine & Social worker.
- Honorary Fellow, Indian Association of Epidemiologist 2001.
- B. C. Roy Major National Award for the Year 2002 as Emeritus Professor of Medicine & Social worker.
- Ranbaxy Science Foundation Medical Science Award (Clinical Research) 2002 outstanding research.
- Doctor of Science (Honoris Causa), Manipur University 2003. He was instrumental in the field of Kala-azar.
- Ranbaxy Research Award in Medical Science (Clinical) for outstanding contribution towards Kala-azar Research, Ranbaxy-2004 as a research worker in a major health problem of country organizing convocation after a gap of 16 years.
- Life Time Achievement Award, HIV Congress-2008, Mumbai.

5. Political

- : Represented Patna Parliamentary Constituency in Lok Sabha in 1984, 1998 and 1999. Still working for elimination of kala-azar and tackling social problem of Bihar.
- Member of Parliament, Rajya Sabha 2008 - 2014
- Member of Parliament, Rajya Sabha, 2014 – 2020

CABINET MINISTER

- On 22nd Nov, 1999 became Union Cabinet Minister for Water Resource, Government of India. Organized water resources department fought for the maximum height of Sardar Sarowar Dam in Gujrat.
- On 27th May 2000 became Union Cabinet Minister for Health & Family Welfare, Govt. of India. Opened a Medical College in Safdarjang Hospital for 100 students Trauma Centre in AIIMS and in 9 states. Bihar in still struggling to give a lead to it.
- Between 29.01.2003 to 12.06.04 held the portfolio of Union Cabinet Minister for Small Scale Industries & Development of North Eastern Region, Govt. of India Wanted to Change the compiling in Small Scale Industries in different part of the country including Bihar.

- Chairman of Task force for elimination of Kala-azar and Malaria in Bihar in the rank of Cabinet Minister of Bihar Government and pushed up the momentum for kala-azar elimination.

NATIONAL AND STATE ASSIGNMENTS OF BJP PARTY

- Former State President Bihar, BJP – BJP had a major victory in Bihar winning 91 seats.
- Former National Vice President, BJP

ACADEMIC ACHIEVEMENTS IN MBBS IN PATNA MEDICAL COLLEGE, PATNA UNIVERSITY

- Stood first in M.B.B.S. from Patna Medical College (1952- 57) with Honours, Gold Medals, College and University Scholarships
- Topped the list of MBBS candidates from Patna University in 1957
- Highest marks both in Medicine and Surgery in MBBS, 1957
- Sifton Gold Medal for highest marks in Medicine, MBBS, 1957
- Stephenson Gold Medal awards for highest marks and Honours in Surgery in 1957
- Wheeler Gold Medal award for highest marks in final M.B.B.S. in 1957
- Highest marks in Pathology, MBBS, 1955
- PC Talent Prize for standing first in final M.B.B.S.-Part-II in 1957
- Topped the list of final MBBS and Part I taken together in 1957

POST GRADUATE STUDIES IN INDIA & UNITED KINGDOM.

- M.D. (Doctor of Medicine), Patna University- 1960
- M.R.C.P. (Member of Royal College of Physicians) Edinburgh, 1962
- M.R.C.P. (Member of Royal College of Physicians) London, 1963

FELLOWSHIPS:

INTERNATIONAL

- Fellow of Royal College of Physicians (FRCP), Edinburgh, U.K. 1977
- Fellow of Royal College of Physicians (FRCP), London, U.K. 1978

NATIONAL

- Fellow of Indian College of Medical Specialists, Indian Medical Association, 1985
- Founder Fellow Association of Physicians of India, 1988.

TEACHING ASSIGNMENTS BETWEEN 1960-1984,

- Worked as Assistant Professor of Medicine, Associate Professor and Professor of Medicine, Patna Medical College. Presently, Emeritus Professor of Medicine, Patna Medical College, Patna.

MEMBERSHIP OF DIFFERENT SCIENTIFIC ORGANISATIONS

- Member of Association of Physicians of India, 1957
- Indian Medical Association, 1960
- Cardiological Society of India, 1960
- Indian Institute of Public Administration, New Delhi, 1985.

Has served as member on the Governing bodies of different organizations, chaired scientific sessions and organized various seminars and conferences.

RESEARCH WORK ON KALA-AZAR

- His suggestions have been accepted by the WHO and other international organizations and have been incorporated in various text books of medicine.

A BRIEF SUMMARY OF SOME RESEARCHES AND PUBLICATIONS

- Research on full moon and poisoning, published in BMJ (British Medical Journal) and other journals has attracted the attention of Scientists all over the world and has been abstracted in almost all the national daily newspapers, periodicals including Science Reporter. Published more than 100 research papers in national and prestigious International Journals (List attached). He has revolutionized the concept of the treatment of kala-azar and post kala-azar dermal leishmaniasis.
- Research paper on the Epidemic Dropsy included in the “Text Book of Park’s Preventive and Social Medicine and in the “Recent Advances of Medicine” edited by MSM Ahuja, AIIMS, New Delhi.
- Research work on Heart Diseases reviewed by late Prof. J.C. Banerjee of Calcutta in the chapter on heart disease in India during the last 25 years during Silver Jubilee Session of “Association of Physician of India”, the only such paper from Bihar. Research works in Neurology was reviewed in the sector Neurology in India during last 25 years, the only paper from Bihar, reviewed in Journal of Association of Physicians of India, 1975. Silver Jubilee number.
- P. Olliaro and ADM Brycession in Parasitology Today, 1993;9:323-328 remarked “Longer courses will clearly be needed and physicians should follow Thakur’s example of treatment of VL (Visceral Leishmaniasis or kala-azar) in India”

GOVERNMENT OF INDIA

- Chairman, Kala-azar- Spot Assessment Committee 1990-91
- Expert Kala-azar committee to formulate prevention programme for Kala-azar, 1991.
- Invited as a guest speaker by Department of Biotechnology, Government of India to give a guest lecture in 2nd global meet on parasitic diseases in Hyderabad- Dr. Ross’s Centenary Celebration, 1997.

GOVERNMENT OF BIHAR

- Member, Advisory Committee on Kala-azar, 1990-93
- Chairman, Kala-azar control programme 2006-2007

INDIAN COUNCIL OF MEDICAL RESEARCH & OTHER INDIAN BODIES

- Member of Expert Committee Indian Journal of Medical Research.
- Guest Editor, Indian Journal of Medical Research on special issues on "Leishmaniasis" 2004.
- Indo UK workshop on kala-azar, 1982-83
- Member of the Indo-USA team to Washington for Vaccine Development Programme, 1992
- Chairman- UNDP sponsored core group discussion on kala-azar, 1993
- Member, Scientific Advisory Committee, Rajendra Memorial Research Institute, 1994
- Chairman, Scientific Advisory Committee, Rajendra Memorial Research Institute, 2001-2006.

SOCIAL WORK

- Medical Education to the layman by writing on common Medical Problems in lay Press, radio and television

- Numerous Talks on Radio, Television and more than 200 articles at frequent intervals on topics of general interest and from the view point of health published in leading national newspapers.
- Organized free medical camps in different areas of weaker sections of the society.
- Organized **Janeo (Sacred Thread)** ceremony of children of weaker sections of the society and arranged for their education, which was vividly covered by the '**India Today.**'

ACADEMIC

- Presided over seminars and written prolifically on common socio- economic problems
- Current interest-social development and upliftment of weaker sections of the society, especially in the arena of education.

AUTHOR, EDITOR, CO-AUTHOR OF BOOKS

- Recommendations on the treatment of Kala-azar 1982 Geneva- one of the authors, Chemotherapy of visceral leishmaniasis WHO, Geneva, Chem- Leish 82.3
- Control of the Leishmaniasis 1990 WHO, Geneva Technical Report Series 793, one of the authors
- Current Trends in Leishmania Research, 1993, Council of Scientific and Industrial Research, 1993, Council of Scientific and Industrial Research, New Delhi Ed. Bhaduri AN et. al.
- Kala-azar, Past, present and future. Editor, Dr. K. K. Mallick, Tropical Institute, Calcutta
- Dynamics of Development, 1975 as editor and one of the authors
- Development of Bihar by 2015; 1996, Balaji Utthan Sansthan as Editor and one of the authors
- A glimpse of Indian Technology, Foreword written by Ex-President of India Sr. R. Venkatraman, released by Late Prime Minister Shri Rajiv Gandhi
- Authored a book on World Trade Organization, (WTO)
- India under Atal Bihari Vajpayee BJP Era 1999, USV Publishers Delhi
- Contributed Chapters on Leishmaniasis in API Text Book of Medicine from 1988 till 2008.
- Leishmaniasis in Conn's current chemotherapy, 1993.

CURRENT RESEARCHES-COLLABORATIVE AND OTHERWISE

- With World Health Organisation, Geneva – evaluation of an anti-cancer drug- Miltefosine in kala-azar research completed and published.
- With Nexstar – Pharmaceutical USA- Evaluation of Ambisome (Amphotericin B lipid Complex) in resistant cases of kala-azar research completed & published.
- With Professor J P Dedet- University of Montpellier, France- Typing of Leishmania Parasites of resistant Indian kala-azar. It showed that Indian Kala-azar is caused by leishmania donovani and not leishmania tropica.
- With Balaji Utthan Sansthan, Patna
 - (a) Newer drugs on Kala-azar
 - (b) Effect of Indian Medicinal Plants on Kala-azar (currently going on) i.e. Agave Americana, Cydrus Deodara, Piper Longum, Piper Nigrum, Chenopodium ambrosides, Tachyspermum ammi.

CURRENT RESEARCH OF BALAJI UTTHAN SANSTHAN COMPLETED & ALSO ONGOING RESEARCHES

1	Phase-IV of iOWH, Completed
2.	Paromomycin Trial, Completed
3.	Bio- technology (DBT) “In vitro and in vivo testing of plant leads for development of herbal drug for kala-azar” (Continuing)
4.	WHO “Economic Survey Aimed at Individuals with Visceral leishmaniasis for Implementation strategies for Visceral leishmaniasis control.
5.	PKDL study WHO (Completed).
6.	Comparison of Amphotericin B alone and with blood and electrolyte supplementation on toxicity of amphotericin B by Balaji Utthan Sansthan (Completed).
7.	Conducting and supervising a seminar on treatment of kala-azar in ASTMH 56 th Annual meeting, Philadelphia Marriott Downtown Philadelphia, Pennsylvania USA (Completed).
8.	”A prospective, multicentric, randomized, two arm, open level phase III study to assess efficacy and safety of infusion of Amphomul [®] (Amphotericin B Emulsion) as compared to Ambisome in patients of visceral leishmaniasis” SIRO (Completed).

CURRENT RESEARCH OF BALAJI UTTHAN SANSTHAN

Under the Chairmanship of Padmashree Dr. C. P. Thakur

1.	Effect of Indian herbs in Kala-azar in association with Institute of Yadavpur University, Kolkata and All India Institute of Medical Science (AIIMS), New Delhi, under Department of Biotechnology (DBT), New Delhi.
2.	Development of vaccine for Kala-azar along with AIIMS, New Delhi and Cadila Biotech (Gujarat).
