## Message of Vice-Chancellor

**Prof. Kameshwar Nath Singh**

I am very happy to bring the Annual Report 2023-24 of Central University of South Bihar (CUSB) carrying the achievements and activities of the University in a nutshell. Persistently marching on the path of 'Academic Excellence' since its establishment in 2009, the Central University of South Bihar (CUSB) the only NAAC A++ accredited University in Bihar has got another feather added into its cap. The University became the 01st University in the state of Bihar to get the Category-1 University status from the University Grants Commission (UGC). The proposal CUSB to get a place among the Category-1 University under the UGC Regulations has been examined and considered by the Commission in its 577th Meeting, held on 13th February, 2024. The decision of UGC was communicated by the UGC Secretary Prof. Manish R. Joshi to my office. The Commission has approved Category-1 University status to CUSB in accordance with the provisions of the mentioned UGC Regulations. The University shall now be eligible for all the benefits as stipulated under Clause 4 of the University Grants Commission (Categorization of Universities (only) for Grant of Graded Autonomy) Regulations, 2018. It should be noted that in order to grant autonomy to the better performing Universities, UGC notified University Grants Commission (Categorization of Universities (only) for Grant of Graded Autonomy) Regulations, 2018. I am attributing the University's tremendous achievement to the highly qualified faculty members, students, staff, and officers. This outstanding achievement is a rare example of a distinctive achievement with collective commitment, owing to the combined efforts of the university family. I would also like to specifically mention that Hon'ble Prime Minister of India, Shri Narendra Modi laid the foundation stone of four school buildings of Central University of South Bihar (CUSB) on Tuesday, February 20, 2024, through video conferencing. A grant of about Rs 100 crore (Rs 999498186) has been given to CUSB for the construction of four buildings. The grant has been given to CUSB for the financial year 2023-24 to the financial year 2025-26, and a MoU has been already signed between CUSB and CPWD for construction of buildings. At last I appreciate the Editorial team of the Annual Report for their persistent efforts to nicely compile the events, activities, achievements, students' statistics, scholarships, placements and other details. With the combined efforts of CUSB fraternity I am hopeful that the university will not only be able to revive the old glory of Nalanda and Vikramshila but will also be able to establish itself in the global rankings.

## 03<sup>rd</sup> Convocation of CUSB, 20<sup>th</sup> October, 2023

"In the present scenario, the girls are performing with excellence in almost all the higher educational institutions, this is a very pleasant change. It is also a reflection of India's progress in building a better society." This statement was given by Her Excellency President of India Smt. Draupadi Murmu as the Visitor and Chief Guest during the third convocation ceremony held on October 20, 2023 (Friday) at Central University of South Bihar (CUSB). Her Excellency the President of India said that I congratulate all the students of Central University of South Bihar who have received the degrees. I especially appreciate the students who gave excellent performance and received gold medals. I have been told that the total number of gold medals for students who have given excellent performance in the convocation is 103, out of which our daughters are getting 66 medals. Today, out of the 25 students who came on the stage and received the gold medal from me, interestingly 18 were daughters. All the countrymen are proud of the fact that the world's first democratic system flourished on this soil of Bihar. In the last speech of the Constituent Assembly, Baba Saheb Dr. Bhim Rao Ambedkar had

said that the Constitution has also taken inspiration from the Buddhist empire which was included in the ancient empires. Dr. Sachchidanand Sinha and Dr. Rajendra Prasad along with many other great personalities from the state of Bihar have made invaluable contributions in the construction of the Constitution of India and the modern Republic of India. Since ancient times, this land of Bihar has been famous for developing talents. Scholars like Chanakya and Aryabhata made revolutionary contributions in the field of mathematics and science along with the social system, which helped in the development of the entire humanity. In this university also, the school buildings have been named Aryabhata Bhawan and Chanakya Bhawan, which is quite commendable. The teachers and students of this university are continuously making efforts to conduct world class teaching and research, which is quite praiseworthy. Her Excellency concluded her speech by making an appeal to the students of the university for playing an important role in the development of the country and the world. In his address, His Excellency Governor of Bihar Shri Rajendra Vishwanath Arlekar, who was present at the
