From the Desk of Vice-Chancellor

Prof. Kameshwar Nath Singh

I am very much pleased to present the Annual Report 2021-22 of Central University of South Bihar (CUSB). Since this is the first Annual Report 2021-22 presented under my tenure after joining the office on 26th July, 2021 so the happiness increases many folds. When I assumed the chair of Vice-Chancellor of the University, the country was battling with the Global pandemic Covid-19. Hence it was a Big challenge before me to take ahead the University along with ensuring the 'Academic Excellence'. In fact, two things were going side-by-side in my mind, at one side we were supposed to keep a vigil on the possibilities of Covid-19 infection and at the other side keeping the momentum of Academic activities at the University at right pace was another important daunting task. Thankfully, with the team of abled administrative officials, staff and dedicated faculty members, and equally obedient students we could surpass the odds and CUSB mode ahead in its Academic journey with flying colours. With the use of blended mode of teaching and learning process we overcame the challenges very efficiently and succeeded in achieving the success in Academia as well as co-curricular activities. The Annual Report 2021-22 documents all those achievements of the faculty members, students and over all the University. We always have firm believe on our potential and looking ahead for more achievements in the coming years as well. I am quite optimistic that with a highly focused team CUSB can establish itself as an Institution of Academic Excellence in the region, country and the world at a broader spectrum.

Message of Registrar

Col. Rajiv Kumar Singh

It's always a wonderful feeling to be part of the Editorial Board of Annual Report 2021-22. Like previous years, this edition of Annual Report 2021-22 could be finalized under the abled supervision of Hon'ble Vice-Chancellor Prof. Kameshwar Nath Singh. With the sincere efforts of the members of Editorial Board the achievements of the University for the period April 2021- March 2022 has been compiled in this edition of Annual Report. Starting with Academic Achievements I feel glad to share that the highly qualified faculty members and the meritorious students along with regular academic activities, have together brought many laurels for themselves and the University as well. Taking the challenges put forth by the Covid-19 in a positive note the Schools and departments organized many webinars, seminars and other academic events. The faculty members received a number of funded projects for research from various government agencies. The students and researchers got success in cracking the national level competitions including the NET / JRF Exam conducted by the UGC / CSIR, GATE, and competitive exams like public service, judiciary, etc. The NCC female cadets and NSS volunteers of the University won many awards in the national level competitions. The second phase of infrastructure development work is going on full pace and in the coming few months the University will get two new hostels, library, mess, shopping complex, animal house and staff quarter buildings. We keep an eye on the new accomplishments and I am very hopeful the coming year would bring more bounties for the University fraternity.

About the University

The Central University of South Bihar shortly termed as CUSB is established under the Central Universities Act, 2009 (section 25 of 2009) as Central University of Bihar (name changed under the Central Universities Amendment Act, 2014). The University is functioning from the 300 acres sprawling campus at Panchanpur, about 15kms. from Gaya Railway Station, on Gaya – Panchanpur Road (National Highway No. 07). The University is accredited with 'A' Grade by the NAAC and succeeded in achieving 94th position in NIRF Ranking in the year 2016. With the combined efforts of the University fraternity and its stake-holders, CUSB has maintained its excellence in Academia and achieved a respectable position in the rankings carried out by different government and private agencies. The University welcomes visitors with a grand Entrance Plaza and further provides visual delight with a half-globe shaped Stupa and a magnificent multi-storied Administrative Block building. Besides, three massive Schools buildings namely (i) School of Earth, Biological and Environmental Sciences named as Aryabhatta Bhawan, (ii) School of Social Sciences and Policy named as Chanakya Bhawan and (iii) School of Education building named as Malaviya Bhawan, and other buildings namely, Vivekanand Lecture Complex, Sangharam Guest House, Gargi Sadan Boys Hostel and Maitreyi Sadan Girls Hostel altogether are like visual treat for visitors, and offering a pristine environs for running academic and co-curricular activities. Along with world-class highly qualified faculty members, high teacher-student ratio, baskets full of elective courses in different programmes, the University offers Choice Based Credit System (CBCS) with total internal evaluation of students' performance at Undergraduate (UG) and Postgraduate (PG) levels. Other highlights of CUSB includes a conducive and research-oriented environment with multidisciplinary approach, innovative pedagogies, promising infrastructural facilities and effective students' support system to nurture students' personality in a holistic manner and to prepare them for a bright future. The University is fully committed to adopt the National Education Policy (NEP) 2020 in its curriculum in the upcoming academic session.

Objective of the University (As stated in Section 5 of the Act)

- ❖ To disseminate and advance knowledge by providing instructional and research facilities in such branches of learning as it may deem fit
- ❖ To make special provisions for integrated courses in humanities, social sciences, and technology in its educational programmes
- ❖ To take appropriate measures for promoting innovations in teaching-learning process and interdisciplinary studies and research
- ❖ To educate and train manpower for the development of the country
- ❖ To establish linkages with industries for the promotion of science and technology
- ❖ To pay special attention to the improvement of the social and economic conditions and welfare of the people, their intellectual, academic and cultural development."

Vision of the University

The Vision of the University is "The Collective Reasoning". The Collective reasoning of this University is committed for a better tomorrow and we strive together to create an eco-system where best minds holding high human and moral values interact to constantly chase perfection in frontline research and teaching to provide younger generations a platform for realizing their potentials to serve humanity with compassion.

Facilities at CUSB

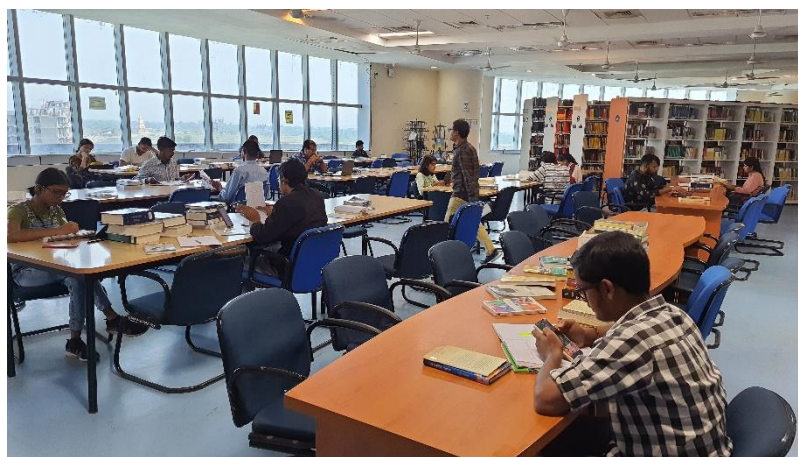

The University puts its best efforts to offer a passable atmosphere for learning and high-quality research activities to the students and faculty members. The well-stocked library, computer centres with contemporary facilities like Wi-Fi, state-of-the-art laboratories with delicate to heavy equipments, smart class rooms, conference rooms, playground, etc. altogether makes the University a perfect abode for academia and impress the outside world a lot and helps in earning plaudits in the form of Rankings carried out by different agencies of the country.

Central Computing Facility (University Computer Centre)

The Central Computing facility is offered with sufficient numbers of desktops / laptops attached with printer / Xerox facilities at almost all work desks. The Computer Laboratory provides a central computing facility to the faculty members, researchers as well as students for their assignments, projects, dissertation and research related works. In Computer Lab, printing and scanning facilities are also available. Teachers are also provided with individual desktop / laptop with pool printer to assist them in preparing for their lectures and take up their research pursuits. All computers are equipped with latest and legal operating system and application software to cater to the academic needs. Computers are protected by firewall and reliable antivirus software against computer virus, malware and unauthorized access. Internet facility through LAN as well as Wi-Fi connectivity is provided to departments /centres, library, class rooms, administrative building and other sections. The University has powerful E-mail system with group mail IDs of students, faculty members and staff.

University Library

The University has a well-stocked Central Library with good collection of Title of latest edition of books in sufficient volumes, standard national and international journals. The library has more than 41,000 books to support academic curricula, teaching & research in various science and social science subjects. All the books are barcoded and organized on shelves using Dewey Decimal Classification (DDC) scheme. The library subscribes to 181 print journals and magazines. The library is stocked with 444 bound volumes of journals and

100 project reports and more than 8200 full text electronic (e) journals from renowned publishers. Library services include circulation (issue/return) of books, Inter-Library Loan through DELNET, New Delhi, Current Awareness Service (CAS) for books and journals, photocopy, etc. Users can search the availability of books in library using OPAC, current status of books, due date of return, reserve/hold book, etc. Access to electronic resources is available for students, faculty and officials on their computer within the university premises. Recently, access to these resources has been extended through Virtual Private Network (VPN). 24 x 7 reference service is also being provided through CUSB Virtual Reference Platform.

Laboratories

Most of the departments have its own laboratory equipped with equipment and latest instruments for conducting practicals of students and research scholars. The departments of Biotechnology, Geology, Pharmacy, Life Science, Environmental Science, Physics, Chemistry, Mass Communication, etc. have well – furnished laboratories.

Health Centre / Medical Facility

The University has its Health Centre, which provides primary level treatment to faculty, staff and students for general ailments under the supervision of Medical officer.

Exclusive Facilities for Students

The University believes that the students are future of the country and they deserve extra care to pursue their studies without any hassle. The University is committed to offer the best possible amenities to students so that they can study and carry on research work with complete peace of mind for a better outcome. Some of the facilities specifically provided to students are mentioned below under separate heads:

Semester System: The Semester System is followed in all Academic programmes (courses) of the University to enhance the curricular space and encourage the accelerated learning opportunities.

Choice Based Credit System (CBCS): The CBCS System facilitates the students to have vertical integration of knowledge and holistic development.

Evaluation System: Continuous internal evaluation is carried out in the University by the faculty members to assess the performance of the students. The University has developed appropriate mechanism to ensure transparency and accountability in the internal assessments and End-Semester evaluations.

Governance & E-Governance: The University is following a decentralised and participative system of governance to achieve the mandate stated in the Act and Statues. Faculty members are directly involved in decision-making bodies of the University, which in turn helps the students in a great way for redressal of their grievances. Each department of the University has a Departmental Committee and it takes the decisions for academic proposals at initial state before being placed before Apex decision-making bodies of the University. The Board of Studies (BOS) is also an important body of the department which specifically looks after the curriculum development work. Also, the University has put its efforts towards the use of E-Governance tools to bring effectiveness into its administration to promote transparency and efficiency in the system.

Admission through CUET: The Admission to various programmes (courses) of the University is made through national level entrance test jointly conducted by over a dozen Central Universities and named as Common University Entrance Test (CUET). With its transparent and national level admission process, the University has succeeded to attract the students from different states and maintaining the diversity and national character efficiently.

Scholarship Schemes: All research scholars (Ph.D.) students get UGC scholarship. In addition to Centre government and state government funded scholarships, the University offers a number of scholarship schemes to deserving and needy students, namely (i) Merit Scholarship to CUCET / Semester Toppers (ii) Merit-cum-Means Scholarship (iii) Earn While You Learn (EWYL) Scheme & (iv) Attendance Based Merit Scholarship.

Vidyarthi Mediclaim Policy: All the students of the University are insured under this scheme. This is a unique policy of National Insurance Company (NIC) designed to provide health and personal accident cover to the students. Under this scheme the students are eligible for cashless treatment in authorized hospitals as well as for reimbursement of cost of treatment in other hospitals within the limit of Rs. 50,000.

Boys & Girls Hostels for Accommodations: Presently the University offers accommodation to students with one (1) Boys Hostel and one (1) Girls Hostel having combined capacity to accommodate around 800 students. Mess facility is also available for students residing in the hostels on payment basis.

Sports & Co-curricular Activities: The University has committees like Games and Sports Activities Committee, Cultural Activities Committee which conducts various activities for students round the year. The students of the University participate in the state and nation level competitions and events under the supervision of co-ordinators of the committees and win many competitions with their brilliant performances.

Internships: Keeping in view the importance of role of practice-based learning / first-hand industry experience the University use to make arrangements for internship opportunities to the students during Summer vacation.

Anti-Tobacco Pledge, 31st May, 2021

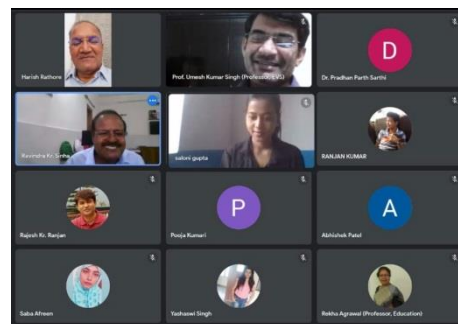

On the occasion of World Anti-Tobacco Day CUSB employees took the pledge for saying no to Tobacco products on 31st May, 2021. The University organised the pledge taking ceremony through online mode following Covid-19 protocols. Under the supervision of CUSB Vice-Chancellor Prof. H.C.S. Rathore, the University Registrar Col. R.K. Singh read out the Anti-tobacco oath, which was joined by participants. It said, "On this occasion of World No Tobacco Day, I take a pledge that I shall never smoke & consume any type of tobacco products in my life and motivate my family or acquaintances to not to smoke / use any tobacco products. I shall motivate my colleagues for the same". The Theme of World No Tobacco Day 2021 was 'quit tobacco to be a winner'.

World Environment Day, 06th June, 2021

On the occasion of World Environment Day the Dept. of Environmental Sciences of CUSB organized a webinar on the theme "Ecosystem Restoration" which was attended by over 100 participants from different parts of the country. As the keynote speaker Padma Shri Prof. R. K. Sinha said that the time has come for restoring the Ecosystem and even the common people may make a significant contribution by tweaking their lifestyles. Prof. Sinha gave very basic and fundamental ideas about the ecosystem. He shared his experience that he explored the Ganga Flood Plains near Haridwar but was disheartened to find the ecology that was once prevalent in the 1970's. Prof. Sinha concluded his talk with the message "Think Globally Act Locally".

Earlier CUSB VC Prof. H. C. S. Rathore said the campus is Zero discharge campus as it recycles all the water. The campus is developing into a surplus recharge campus as it has developed an artificial pond which is serving very efficiently from the past three years. Prof Umesh Kr. Singh, Head, EVS, CUSB gave a brief overview about the webinar and shared a few words. He elaborated why Ecosystem Restoration has been used as the theme of World Environment Day 2021. This event was coordinated by Dr. Rajesh Kr. Ranjan, and it ended with the Vote of Thanks of Prof. P.P. Sarthi, Dept. of EVS.

Independence Day Celebration, 15th August, 2021

During his first Independence Day address on 15th August 2021, Prof. Singh spoke about the strengths of Indian Democracy, the contributions of great freedom fighters for setting India free from the clutches of British, the historic performance of India at Tokyo Olympics and other topics related to the nation. CUSB VC also expressed his concern for those who even after 75 years of India's Independence are battling with poverty, sickness and facing several other types of problems. Earlier at the onset of Independence Day celebration, the Vice-Chancellor was given guard of honour, followed by the flag hoisting and singing of the national anthem. Culture performances were performed by the students of the University. The Independence Day event was

conducted under supervision of Registrar Col. Rajiv Kumar Singh and executed by DSW Prof. Atish Prashar.
