Heartfelt Greetings from the Central University of South Bihar.....

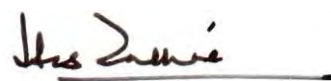

I am very delighted to bringout the Annual Report 2016 – 17 from our sprawling 300 acres campus of the University at Panchanpur, Gaya. The long dream of University fraternity to work from the permanent campus finally came true on 10th July, 2017. It was a red letter day in the 8-years odd history of Central University of South Bihar as the administration started functioning in a beautifully-furnished office amidst pristine surroundings. Being the Vice-Chancellor of the University, the happiness of special moment increased many folds for me as it was my first and top-most priority to get the buildings constructed at Panchanpur. From the day of assuming the office as Vice-Chancellor on 5th August, 2015 till the date of first day at Panchanpur, I and my abled team worked day-and-night to ensure the timely completion of construction work of buildings. Quite pleasantly, we could achieve the target within the record time of 22 months since the building construction work started in September 2017. This is very encouraging and path-breaking achievement for entire CUSB fraternity, and we are looking ahead for many such successes to establish the University as one of the best institutions of higher learning in the region as well as country.

Moving ahead, let me specifically mention that for a University the academia and it's growth is most important component. The period of April 2016 – March 2017 remained satisfactory as well as gratifying for CUSB and its faculty, students, staff and stake-holders. The faculty members of CUSB didn't leave any stone unturned to disseminate quality education with their expertise in respective areas and bagging the research projects from different funding agencies. The highly-motivated students complemented the efforts of their mentors by brining laureates in the form of success in many ways by cracking the prestigious competitive exams like UGC NET / JRF, GATE, and fellowships. In fact, the faculty and students put their efforts to strike a fine balance between the academics and co-curricular activities.

While seminars, conferences, workshops, guest lectures, etc. brought the academic fraternity, researchers and scholars under one platform to discuss and exchange the innovative ideas, celebrations of important days, UGC / MHRD events like 'Swachh Bharat Abhiyaan', cultural activities and adrenaline rushing sports enhanced the mental and physical strength of students. I am feeling happy to share that the University has aggressively transformed all types of transactions into cashless in order to support the 'Digital India' drive of Govt. of India. It would be worth mentioning that University administration always remained supportive and worked like a driving force for smooth conduct of the academic and co-curricular activities.

Being a NAAC Accredited "A" Grade University and a fast-growing educational institution of the region the big responsibility comes on our shoulders to maintain the momentum. Our quality faculty with ample expertise in their subjects are committed to nurture the students and make them the scholars in various fields. On the other hand, we are equally committed to introduce the online courses and programmes run by Ministry of Human Resource Development (MHRD), Government of India. Massive Open Online Courses (MOOCs), SWAYAM (Study Webs of Active-Learning for Young Aspiring Minds) are some of the programmes we are looking ahead to actively launch in the University. Making the campus fully techno-friendly and equipped with digital modes like Wi-Fi hotspot are also on platter. Establishing Smart class rooms, a well-stocked Central library with subscriptions of world's best journals and books are other facilities we are eyeing to provide in the University in the coming time.

With the hope that like this period (April 2016-March 2017), in the coming academic year as well the University would leap ahead with more-and-more success and achievements with combined efforts of all. This is well-achievable and together we will do as we had already done in the past with the motto of "Collective Reasoning" to make CUSB - "Vasudhaiva Kutumbakam".

Training Programme on Human Rights

The School of Law and Governance (SLG) of CUSB organised a one-day training programme on "Human Right Awareness" on March 24, 2017, which was sponsored by National Human Rights Commission (NHRC), New Delhi. Prof. S.P. Srivastava, Dean, SLG initially introduced the concept of human right, while Mr. K.G. Anand, National Convener, Lok Samiti said that freedom of speech and expression is a must for healthy democracy. Mr. Karu, Convener, Bhumi Mukti Andolan remarked that human rights are available to all individuals by birth including under-trial prisoners. Prof. O.P. Rai, Pro Vice-Chancellor, CUSB, focused on limitation of human rights, while Prof. Prabhat K. Singh, Dean, School of Foreign Languages and Literature, shared his views in presidential address. Dr P.K. Mishra proposed vote of thanks.

Seminars / Workshops

National Seminar on Drug Designing

A two-day national seminar on "Protein Structure Prediction and Drug Design" was organised by the Bioinformatics programme of Centre for Biological Sciences (CBS) of CUSB on 18 – 19 November, 2016. The seminar was inaugurated by Pro Vice-Chancellor, Prof. O.P. Rai, Chief Guest, Prof. G. Narahari Sastry from ICT, Hyderabad, Guest of Honour, Dr Pradeep Das, Director, RMRI, Patna and other dignitaries. In his inaugural talk on "Lead Optimization in Drug Design: Modeling Efficacy, Specificity and Toxicity" Prof. G. Narahari Sastry discussed the interdisciplinary nature of present day research. Around 100 delegates comprised of faculty, researchers and students attended the two-day national seminar.

Workshop on Basic Tools & Technique in Biotechnology

A one-week long training-cum-workshop on "Basic Tools and Technique in Biotechnology" (TWBTBB – 2016) was organised by Biotechnology programme of Centre for Biological Sciences (CBS) of CUSB during November 24 – 30, 2016. The workshop was inaugurated by CUSB Vice-Chancellor, Prof. H.C.S. Rathore, in presence of Chief Guest, Prof. S.P. Singh from BHU, Varanasi, Guest of Honour, Prof. Ashok K. Ghosh, Head, Research Centre, Mahavir Cancer Sansthan, Patna and Dr Rizwanul Haque, Co-ordinator, Biotechnology.

Prof. Ashok K. Ghosh delivered a scientific talk on "Arsenic: The slow poison", while Prof. S. P. Singh introduced the various branches of Biotechnology such as green, red, white and blue biotechnology. Prof. H.C.S. Rathore remarked that a biotechnologist should be quite skilled, know the art of writing and learn to handle the latest instruments.

National Seminar on Current Trends in Life Science

Padmashree Prof. R. K. Sinha, Department of Zoology, Patna University, during his inaugural lecture in the two-day national seminar on 'Current Trends in Life Science' organised by Life Science programme of Centre for Biological Sciences, CUSB on February 20 – 21, 2017 emphasized that if we wish to save the national aquatic animal 'Dolphin' from extinction then strict laws (Acts) need to be framed by the government.

Famed as 'Dolphin Man', Professor Sinha delivered the keynote talk entitled 'Current Status and Conservation of the Ganges River Dolphin in India'. The inaugural session was chaired by Prof. O. P. Rai, Pro Vice-Chancellor, CUSB, in company of Dr Pradeep Das, Director, RMRIMS, Patna.

National Seminar on Cashless Economy

Media can play a major role in ensuring the success of government's ambitious cashless economy drive. Such opinions emerged from the minds of experts who participated in the two-days national seminar on "Media as a Medium Towards Cashless Economy" organised by the Centre for Mass Communication and Media (CMS) of CUSB during March 03 – 04, 2017. CUSB Vice-Chancellor Prof. H.C.S Rathore as the patron flagged off the seminar in presence of Keynote Speaker Prof. Ved Pal Singh, Chief Guest Mr. Swant Ranjan and Guest of Honour Mr. Siddharth Mishra from Indian Council of Agricultural Research (ICAR), Patna. Prof. Rathore in his speech drew the similarities between teaching and media professions. The keynote speaker Prof. Singh presented a balanced view on cashless economy and elaborated on its pros and cons. Around 60 scholars and academicians presented papers in six technical sessions of the seminar.

National Seminar on Contemporary South Asian Literature in English

Centre for Foreign Languages (English) of CUSB organised a two day National Seminar on "Contemporary South Asian Literature in English" on March 20 – 21, 2017. Prof. Prabhat K. Singh, Head (I/c) CFL (English) & Dean, SLL, delivered the opening remarks on 'Introduction to Contemporary South Asian Literature in English'.

The keynote speaker, Prof. C.R.V. Rao, Former Vice Chancellor, V. S. University, Nellore, spoke on 'Interstices of Culture and Identity in Select South Asian Writers'. Plenary speakers were Prof. R.K. Singh, Retd. Prof. & Head, Indian School of Mines, Dhanbad; Prof. B.K. Das, Burdwan University; Prof. R. N. Sinha, St. Xavier's College, Ranchi; Prof. M.K. Das, M G Kashi Vidyapeeth, Varanasi. Altogether 37 research papers were presented in the seminar.

National Seminar on Psychology

By making slight modifications in lifestyle any type of mental illness can be cured, said, Prof. R. K. Chadda, Head, Dept. of Psychiatry, AIIMS, Delhi on the inaugural day of three-day national seminar organised by the Centre for Psychological Sciences (CPS) of CUSB during March 24 – 26, 2017. Delivering the key note address on "Psychological Sciences: Current Perspective and Emerging avenues of Practice, Training & Research", Prof. Chadda emphasized upon the importance of joint family in the development of a child's personality. Prof. T.B. Singh, Head (I/C), Psychology, gave a brief introduction about the theme of seminar, while the Guest of Honour, Prof. S.P.K. Jena from University of Delhi insisted that with interdisciplinary approach Psychology can be helpful in serving the society. The seminar was well reciprocated and attended by 75 registered participants from various parts of the country.

National Seminar on India's Foreign Policy during Modi's Regime

The Centre for Political Studies (CPS) of CUSB organised a two-day national seminar on "Non-Traditional Issues in India's Foreign Policy during the Modi's Regime" on March 28 – 29, 2017 at Gaya. The Chief Guest, Prof. K.K. Mishra from BHU in his key-note address said that Modi's doctrine focuses on "Indian First" which is reflected in India's foreign policy.

Many dignitaries attended the seminar which included Prof. Margret Lakra, HoD, Political Science, Vinobha Bhave University, and Prof. Ehtasham Khan, Magadh University, Gaya. Prof. S.N Singh, Dean and HoD, CPS, in his welcome speech stressed on the shift in traditional foreign policy with the good neighbourhood policy at its core. Many papers were presented in the seminar and further discussed by the participants from various aspects.

दक्षिण बिहार केंद्रीय विश्वविद्यालय के भारतीय भाषा केंद्र (हिंदी - उर्दू) द्वारा "अस्मितामूलक साहित्य का सौन्दर्यशास्त्र" विषयक पर 17 - 18 फ़रवरी 2017 को दो दिवसीय संगोष्ठी का आयोजन किया गया जिसमें देश के विभिन्न भागों से आए सैंकड़ों प्रतिभागियों ने हिस्सा लिया ! संगोष्ठी का उद्घाटन करते हुए विश्वविद्यालय के प्रतिकुलपति प्रोफेसर ओम प्रकाश राय ने कहा कि साहित्य में जाति व धर्म के नाम पर विभेद उचित नहीं है !

मुख्य वक्ता के रूप में बनारस हिन्दू विश्वविद्यालय के पूर्व आचार्य एवं प्रसिद्ध बहुजन बुद्धिजीवी प्रो० चौथीराम यादव ने संगोष्ठी के बीजवक्तव्य में बोलते हुए 'स्थापित सौन्दर्यशास्त्र को अस्मितावादी चुनौतियों' के विभिन्न संदर्भों को रेखांकित किया ! संगोष्ठी में महर्षि दयानंद विश्वविद्यालय की प्रो० रोहिणी अग्रवाल, प्रसिद्ध वामपंथी आलोचक प्रो० वीरेंद्र यादव, सेवानिवृत्त जज जवाहर लाल कॉल 'व्यग्र' तथा आदिवासी लेखिका वंदना टेटे आदि ने भी अपने विचार रखे!

Workshop on Time-Series Econometrics

A three-day national workshop on the topic 'Time-Series Econometrics' was organised by the Centre for Economic Studies and Policies (CESP) during February 23 – 25, 2017. As the resource person Prof. Vijayamohan Pillai N. from the Centre for Development Studies, Thiruvananthapuram, Kerala shared his views on Econometrics. CUSB Pro VC, Prof. O. P. Rai, elaborated on the importance of time-series techniques in Economics and Finance. CESP Head (I/C) Dr Abodh Kumar and Mr. Atish Kr. Dash also spoke about Econometrics.

Workshop - Education in Digital Era

A two-day national seminar-cum-workshop entitled 'Education in Digital Era: Concerns & Challenges' was organised by the School of Education, CUSB on March 24 – 25, 2017. The chief guest, Prof. B. K. Tripathi, Director, IUCTE said about the use ICT of as opportunity for

maximum output of teaching and learning. He acknowledged the contribution of NCERT in developing e-books, e-content, & e-pathshala and PG-pathshala. In the keynote speech, Prof. Pradeep Kumar Mishra, C.C.S. University, Meerut, discussed the concept of ICT, its importance & limitations. CUSB Pro VC Prof. O. P. Rai, Prof. Rekha Agrawal, Dean, Education, CUSB, Dr Ravi Kant, Organizing Secretary and Prof. Kaushal Kishore, CUSB also shared their views.

Students' Activities

CUSB student wins title in Moot Court competition at BHU

Mr. Sumit Kr. Mishra, a student of School of Law and Governance of CUSB won the best researcher award in the 4th Moot court competition organised at BHU, during April 1-3, 2016. A team of three students, namely, Mr. Atul Ratna, Mr. Shubham Anand and Mr. Sumit Kr. Mishra participated in the national level competition as Mooter, Co-mooter and researcher, respectively, and managed to achieve its place in top 10 institutions of the country.

CUSB student wins prize in National Level Essay competition

Ms. Preeti Dubey, a student of B.Sc.-B.Ed. (3rd semester) programme of CUSB secured second position in National Competition on Essay Writing in Physics (NCEWP-2016), organized by Indian Association of Physics Teachers (IAPT).

Ms. Preeti participated in Category - A (Students) with her essay on the topic "Resonance phenomena – Physics and applications" and was felicitated at the IAPT Annual Convention held during October 20 – 22, 2016 at Gandhinagar, Gujarat.

CUSB student participated in Robotics Workshop at IIT Delhi

Three students of CUSB displayed brilliant technical skills in the national level Autonomous Robotics Workshop and Championship organised at Indian Institute of Technology (IIT) Delhi during October 21 – 24, 2016. Enrolled in B.Sc.-B.Ed. programme Ms. Nutan Kumari, Ms. Priyam Kumari, and Ms. Garima Kumari participated under the mentorship of Dr Susanta Das, Assistant Professor, Physics. Approximately 200 groups participated in this workshop, and each group comprising of five members was provided with the same kit to build the assigned robot.

CUSB students participated in AIU Convention

A group of students of CUSB participated in the student research convention, "Anveshan-2016", organized by Association of Indian Universities (AIU) at Jaunpur, Uttar Pradesh during February 20 – 21, 2017. The students presented their scholarly works through both poster and oral presentations under the guidance of Dr Susanta Das, Assistant Professor, Physics.

Students, both boys and girls, participated in various sports activities such as cricket, badminton, table tennis, carom and chess. A friendly cricket match between faculty members and staff of the University was also organised, which was quite entertaining and attended by University Vice-Chancellor, Prof. H.C.S. Rathore.

Gaya Campus

The Annual Sports Meet, 'Indradhanush – 2017: Be Calm ... Let it Rain' was organised during February 6 – 11, 2017. Pro Vice-Chancellor of CUSB, Prof. O.P. Rai, inaugurated the sports meet with a Volley Ball match. This event was coordinated by the Sports Committee comprised of Dr Samapika Mohapatra as Chairperson and Mr. Atish Kumar Dash, Dr Mitanjali Sahoo, Dr Parijat Pradhan and Dr Digvijay Singh as members.

Annual Sports

Patna Campus

The Annual Sports Carnival (competitions) of University started at Patna campus on 16th January, 2017 with an inaugural cricket match played at STF ground. The 10-day long (January 16 – 25, 2017) sports carnival was inaugurated by Registrar, Dr G.V. Patil, in presence of University's Sports Committee coordinator, Dr Rajesh Kr. Ranjan and members Dr Ravi Suryavanshi, Dr Amrita Shrivastava, Dr K.K. Ojha, Dr. Anil Kumar and Mr. Arvind Tigga (Caretaker).

The students were divided into four Houses namely, House of Courage, House of Peace, House of Truth and House of Prosperity. On the inaugural day, the events like volleyball, carom, and chess were conducted at the CUSB Gaya campus. Indoor events like badminton, table tennis were held at Gandhi Maidan Indoor Hall, while football, cricket and kabaddi were played at Magadh University Play Ground in Gaya.

Blood Donation Camp

A blood donation camp was organised at Gaya campus of the University on April 06, 2016 in which 78 units of blood was donated by the donors comprised of students, faculty and staff. CUSB Pro Vice-Chancellor, Prof. O. P. Rai, inaugurated the camp organised under the supervision of Prof. Rekha Agrawal, Dean, School of Education in company of student volunteers and faculty members namely, Dr Kaushal Kishore (Education), Dr Abodh Kumar (Economics), Dr Samapika Mohapatra (DVS), Dr Anuj Lugun (Hindi), Dr Deo Narayan Singh (Law) and Dr Rajnish Kumar (Education).

The blood bank of Gaya based A. N. Magadh Medical College collected blood from enthusiastic volunteers participated in the camp.

Community Development Cell spreads awareness at Panchanpur

Under the auspices of Community Development Cell (CDC) of CUSB, a team comprised of 34 students, 7 teachers and volunteers in company of Prof. Rekha Agrawal, Convener, CDC and Dr Kaushal Kishore visited Nepa, Tapa and Dariyapur villages on 2nd April, 2016. The visit was intended to take care of important educational, vocational, environmental, social and health issues of the villagers. The volunteers interacted with villagers and counselled them concerning their health & hygiene issues.

Legal Awareness Camp

The Gender Justice Cell of Legal Aid Clinic of School of Law & Governance, CUSB organised a Legal Awareness camp at Sonu Lal Barnal Project Girls High School, Gaya on 13th April,

2016. The students under the supervision of faculty Mr. Ahsan Rashid performed a street play on the atrocities against women and suggested remedies.

Visit to Gaya Central Jail

The Criminal Justice Cell of Legal Aid Clinic of School of Law & Governance, CUSB paid a visit to Gaya Central Jail on 19th April, 2016. A Legal Aid Camp was conducted by the students under the supervision of faculty coordinators Mr. Ahsan Rashid and Mr. Deo Narayan Singh.

The students addressed the prisoners and made them aware about their constitutional and legal rights. CUSB team met the Jail officials and analysed the situation of the prisoners.

Unnat Bharat Abhiyan Cell Awareness Drive

The Unnat Bharat Abhiyan (UBA) Cell of CUSB paid a visit to the Dariyapur and Fatehpur villages situated in Tapa Panchayat of Gaya district on 26th September, 2016. A team led by Dr Anju Helen Bara, Nodal Officer, UBA Cell, interacted with villagers and enquired about their health and sanitation condition. The student volunteers also presented a street play for creating awareness regarding child education.

Legal Awareness Camp at Tekari

The members of Legal Aid Clinic of School of Law & Governance visited Jolbigha village under Tekari block of Gaya on 20th November, 2016. A team of students under the guidance of Mr. Deo Narayan Singh, Assistant Professor, Law, spread awareness about the legal aspects related to welfare schemes run by the government for BPL families including the Women and Children Safety Act, Aanganwadi, land disputes, public distribution system, etc.

1. School of Earth, Biological and Environmental Sciences

It is a century of Biology and most of the challenges that we are facing in today's time are

global warming, pollution, human diseases and changes in our natural resources. A deeper understanding of Biology will not allow us to overcome these problems but also help to sustain the existing natural resources. The Centre for Biological Sciences (CBS) plays a leading role in achieving this goal with its strengths lying across the fields of genomics, biochemistry, informatics, emerging infectious diseases, basic and applied biology. These strengths are underpinned by faculty members who are expert in their fields and are re-investing their knowledge through exceptional student training.

(A) Centre for Biological Sciences

The Centre for Biological Sciences (CBS) is offering the PG and Integrated M.Phil – PhD programmes in Life Science, Biotechnology and Bioinformatics. These programmes include well-designed theory and practical courses along with innovation-based training methods in frontier areas of Biological Sciences. Each of these three programmes is well

equipped with the facilities to train students with deep theoretical as well as practical understanding of different aspects of biological processes, and promote them to take on an integrative approach for their higher studies and research.

(i) Department of Life Science

This department offers the courses designed to give opportunity to learn modern biological techniques with the facilities to understand various fields of basic and applied biology e.g. genetic engineering, immunology, recombinant DNA technology, protein crystallography, neurobiology, microbiology, cancer, malaria etc. This platform nurtures student's thinking to observe, analyse, interpret and utilize the biological techniques and phenomena in basic as well as applied fields. Different modes of teaching are adapted to train and groom students. Presentations, assignments, experimental proof of theories, field observation, data analysis and computer applications in biology are few methodologies which are being applied for teaching.

(ii) Department of Biotechnology

The department of Biotechnology follows interdisciplinary approaches with participation of faculty/researchers across the University. Hands-on training with professional and management skills are keys to our teaching pedagogy. This

department focuses on responsibility building and ethics in research and policy. Equal emphasis is given on integrated approaches in human health, transgenic crop development, environmental sciences and informatics. One of the major goals of the Biotechnology Programme is to engage students by actively involving them in cutting edge research. Currently, departmental research is mainly focussed in the areas of Cancer Biology, Autoimmune Diseases, Fungal Diseases, Lung Physiology, Neuroethology, Immunology, Genetic Engineering, Stem Cell Therapy, Proteomics, Molecular Biology, Signal Transduction, Interferon (IFNs) Transcription Factors, Neuroimaging, Electrophysiology, Biochemistry of Fungal Pathogens and Genesis of Secondary Metabolites as well as Genetic manipulations of Plants which include Plant Tissue Culture and Molecular Marker Developments.

Conferences, Workshops, Courses, etc.

Dr. Rizwanul Haque

- Delivered a lecture on 'Application of Stem Cell Technology' at Patna Women's College, Patna University to commemorate National Science Day on 23rd February, 2017. Topic: Stem Cells & Disease Management.
- Participated in a Panel Discussion on 'Environment & Health, National Symposium-2017' organized at MCS & RC Patna in collaboration with UNICEF, India on 16th January, 2017. Theme: 'Environmental Degradation and its impact on Children and Women Health'.
- Delivered a lecture and given hands-on-training on Immunology at Training cum Workshop on 'Basic Tools and Techniques in Biotechnology' (TWBTTB-2016) organised during November 24-30, 2016 at CUSB.
- Attended training programme on 'Research Methodology' in the Regional Research Institute of Unani Medicine, Patna, CCRUM, Ministry of AYUSH, Govt. of India on 4th June, 2016. Topic: Principles of Research Ethics.

Dr. Rakesh Kumar

- Given a talk on 'Biopolymer From Renewable Resources' in the 1st Refresher course entitled 'Recent trends in Basic Sciences' on 7th March 2017, Dept. of Chemistry, Patna University.

Dr. Antresh Kumar

- Delivered lecture on Antimicrobial susceptibility and resistance & Hands on training on Antimicrobial susceptibility and its toxic effects on *C. elegans*, Training cum Workshop on Basic Tools and Techniques in Biotechnology (TWBTTB-2016), November 24-30, 2016 at CUSB.
- Attended Agilent sponsored workshop on LC-MS operating and analysis of biological molecules, Hotel Chanakya, Patna on 27th October 2016.

Dr. Nitish Kumar

- Attended Refresher course at Human Resources Developmental Centre, Saurashtra University, Rajkot from 19th December, 2016 to 8th January, 2017.
- Attended one-day symposium on 'International Diaspora Literature' at Human Resources Developmental Centre, Saurashtra University, Rajkot on 30th December, 2016.

Dr. Krishna Prakash

- Poster presented in the International Conference on Genetic engineering and Biotechnology: 21st Century's Frontier Science (ICGEBFCFS) entitled "PCR amplification and molecular cloning of human ERCC-2 cDNA" organised by Department of Biotechnology, Jamshedpur Women's College, Jamshedpur during February 1-2, 2017.
- Poster presented in the International Conference on Updates in Cancer Prevention and Research (ICUCPR) entitled "Expression and purification of chimeric human IRF-1" organised by Babasaheb Bhimrao Ambedkar University, Lucknow during February 14-16 2017.
- Attended and successfully completed 21-day refresher course training at UGC-Human Resource Development Center organized by Dept. of Chemistry, Patna University, Patna during March 03 – 23, 2017.

Dr. Jawaid Ahsan

- Participated in the 1st Refresher Course on Basic Sciences (IDC) organized by UGC-Human Resource Development Centre, Patna University, Patna during March 03-23, 2017.
- Delivered an invited talk on the topic 'Sense or Non-sense? Decision making in *Drosophila melanogaster*' in the 2nd National Seminar on 'Current Trends in Life Science', organized by Life Science Programme of CUSB during February 20-21, 2017.
- Participated in the 'First Collaborations in Indian Chemical Ecology', organized by National Centre for Biological Sciences, Bangalore during September 10-13, 2016.
- Invited to deliver a lecture on 'Clinical Research Methodology', by Regional Research Institute of Unani Medicine, CCRUM, New Delhi, Ministry of "AYUSH", Govt. of India), Patna on June 8, 2016.
- Participated in the Nikon School Workshop for Advanced Outdoor-Gaya on 26th February 2017 in Gaya.

Dr. Lokendra Kumar Sharma

- **Abstract in Conference** - Lia R. Edmunds, **Lokendra Sharma**, Peter Anthony Otero, Sonia D'Souza, James M. Dolezal, Xuemei Zeng, Ying Ding, Fei Ding, Megan E. Beck, Lisa E. In: Proceedings of the AACR Special Conference: Metabolism and Cancer; Jun 7-10, 2015; Bellevue, WA. Philadelphia (PA): AACR; Mol Cancer Res 2016;14(1_Suppl):Abstract nr B25.
- Attended the 73rd UGC-Orientation Programme organized by UGC-HRD at Academic Staff College, Patna University for 28 days during 20th April to 17th May, 2016.
- Given an oral presentation in the Group Monitoring Workshop (GMW) organised at CSIR-Indian Institute of Chemical Biology, Kolkata during September 23 – 24, 2016.
- Given an oral presentation on the topic 'Mitochondrial Alterations and Cancer Cell Metabolism' in the 7th International Conference on 'Stem Cells and Cancer (ICSCC-2016): Proliferation, Differentiation & Apoptosis' in Goa during October 21 – 23, 2016.
- Given an oral presentation on Extra Mural Research Grant at 4th PAC meeting on Biochemistry, Biophysics and Molecular Biology and Microbiology at School of Life Sciences, University of Hyderabad during November 10 – 13, 2016.
- Given an oral presentation on the topic 'Mitochondria: Not a bystander but a key player in tumorigenesis' in the International Conference on 'Updates in Cancer Prevention and Research' (ICUCPR-2017) organised at BBA Central University, Lucknow during February 14 – 16, 2017.

Faculty Achievements / Activities

Dr. Rizwanul Haque

- As the chief guest inaugurated an exhibition on "Application of Stem Cell Technology" at Patna Women's College, Patna University to commemorate National Science Day on 23rd February, 2017.
- Member, Research Advisory Board of Mahavir Cancer Sansthan & Research Centre, Patna

- Member, Scientific Advisory Board of Regional Center for Central Council for Research in Unani Medicine, Patna.
- Served as an examiner of Ph.D. thesis evaluation for Department of Bioscience, JMI, New Delhi.
- Serving as a Guest Editor for special issue of Archaeal journal, Special Issue on Role of Archaeal Component of Gut Microbes in maintaining Human Health, Hindawi Limited. 2016.
- Served as an External Expert for the upcoming examination for Project Proposal of second semester of MS Pharm (Biotechnology), 6th September 2016.
- Served as a committee member for assessment of Annual Performance of contractual non-teaching employees of this Institute on 25.06.2016, RMRIMS, Patna.
- Served as a member of selection committee for OSD finance, OSD administration, Deputy Registrar, and Assistant Registrant for MGCUB, Motihari. April-2016.
- Served as an External Expert for the evaluation of Technical Bids for purchase of instruments for Department of Biotechnology, RMRIMS Patna. April 2016.

Dr. Rakesh Kumar

- Selected as an Editor for Upcoming Reference Book Entitled "Soy Protein: Properties, Health Effects and Research Advances" to be published Nova Science Publisher, New York, USA.

Dr. Nitish Kumar

- Selected as an Associate Editor of internationally renowned journal in the field of Biotechnology – GENE, published by Elsevier.

(iii) Department of Bioinformatics

Bioinformatics department gears up the students towards research not only by providing them with basic understanding of the subject but also inculcates in them the thirst for applied research in frontier area like Molecular Modelling, Simulation and Computer added drug designing, System Biology and Functional Genomics. Analytical techniques, management and analysis of Biological databases are also taught since there has been a paradigm shift in theoretical biology from reductionist approach of Molecular Biology to an integrative approach of treating the cell as a system.

- Given on oral presentation entitled 'Gene correlation to gene set internal coherence: A class discovery method applied to gene expression data' at the International Conference on 'Interdisciplinary Mathematics, Statistics and Computational techniques' at Jaipur during December 22 - 24, 2016
- Given an oral presentation entitled 'Identification of hidden pattern in gene expression data given gene set a priori: An application to diabetes GEPs' at VIII International Symposium on Statistics and Optimization (ISSAC-2016), Aligarh during December 17 - 19, 2016.
- Successfully completed refresher course: 216 ICT(ID) of UGC-HRDC Saurashtra University, Rajkot, Gujarat, February 27 - March 19, 2017.

Dr. Krishna Kumar Ojha

- Attended 21-days special winter school on Science and Society organized by the UGC-Human Resource Development Centre, Mizoram University during November 22 - December 12, 2016.

Dr. Anil Kumar

- Successfully completed UGC-Sponsored Special Summer School - 2016 organized by UGC-HRDC, Ranchi University, Ranchi during June 6 - 30, 2016.

Faculty Achievements / Activities

Prof. R.S. Rathore

- Editorial Board Member- Canadian Journal of Biotechnology

Dr. Vijay Kumar Singh

- Received Young Scientist research grant of Rs. 13,20,000/- from SERB for three year project entitled 'Identification of molecular species that have potential to compete with insulin for receptor binding.'

(B) Centre for Environmental Sciences

The Centre offers the programmes with the emphasis on multidisciplinary and integrated study of the Earth, Atmospheric, Biological and Chemical processes, and their linkages with developmental perspectives for attaining sustainable environment. The major thrusts are: (i) To study natural resources, the impacts of human activities thereon and the implications of environmental degradation on human development. (ii) Natural processes in the Environment (iii) The Human Dimension of Environmental Change to understand the determinants of the growth of populations and economies & (iv) Analytical Tools in Environmental Science: basic tools for analyzing environmental issues, such as data collection and analysis and modelling of air, water, soil and biological systems. The environmental science laboratory is well equipped for carrying out experimentation and research in Climate and Monsoon Modelling, Climate Change, Ecology, Biomanipulation and biocontrol, Biogeochemistry, Pollution monitoring and control, Environmental Engineering, Environmental biotechnology and microbiology, Ecotoxicology, Soil sciences, etc.

Faculty Achievements / Activities

Dr. Ram Kumar

- Felicitated by the Zoological Society of India (ZSI). He was conferred with the Prof. M. C. Dash Gold Medal along with citation in the International Symposium on "Understanding the Molecules of Life in the Era of New Biology" & 28th All India Congress of Zoology, organized by Department of Life Sciences, Davangere University, Karnataka during October 20-22, 2016. Dr. Kumar was felicitated for his outstanding contribution in the field of Aquatic Biology and Ecology.

2. School of Education

Since its establishment the School of Education is committed to provide vast exposure and experience to the future teachers. The courses of the programmes in the School are updated as per the need of the hour and the latest norms of NCTE and UGC. The School has a remarkable collection of books and journals in print and digital form, and has well-equipped Educational Resource Centre having a collection of educational policies documents, psychological tests & experimental equipment, digital learning resources, teaching-aids etc., along with the facilities of lab.

4. School of Languages and Literature

Human civilization evolves through innumerable phases of language evolution. Knowledge too in its resurgent march unfailingly walks hand in hand with languages to streamline learning. Creative endeavours representing human behaviour mould languages to shape literature. As signifier of lingual heritage, literature showcases cultural diversities to promote learning through textual interpretations. The School of Languages and Literature is grounded in the above said ideas to facilitate studies in language and literature and to promote communication and representation skills. Interdisciplinary approach with cultural dimension in the pluralistic society forms the objective of the school. The two Centres are open to incorporate various academic programmes in Indian and foreign languages respectively for study and

research in the understanding and interpretation of cultures and the contextual correlations of language and literature worldwide.

(A) Centre for Foreign Languages (English)

The Centre for Foreign Languages (CFL) English has been imparting sound knowledge of the trends and movements in British, Indian, American, European, and New Literatures and Literary theory. Promoting inter-lingual approach to literature the Centre lays emphasis on improving students' proficiency in communication skills and on their overall development with literary and linguistic competence along with inculcating in them human values through literature. The critico-analytical method is chiefly employed for teaching, and students' mentoring/ counselling and various co-curricular and extra-curricular activities are carried on at the Centre.

The School of Law and Governance has started working from the academic Year 2013-14. Each programme has been designed in compliance with BCI and UGC norms. Its syllabus is structured with an objective to meet the global demand of modern legal education. In compliance to Legal Education Rules 2008 the School has established Legal Aid Clinic to sub-serve the interest of vulnerable classes and to inculcate among the students the sense of social responsibility. It also provides training of Moot Court and Model United Nations to all the students. The school is striving towards imparting quality legal education to meet the professional demand as well as to promote personal development. The mission of the school is to equip the students with critical thinking, analytical and applied skills and also to make members for bar and bench.

6. School of Mathematics, Statistics and Computer Science

The School consists of three departments namely, the Department of Mathematics, the Department of Statistics and the Department of Computer Science. The vision of the School is to provide quality education and to undertake and support the interdisciplinary research through interaction between Mathematics, Statistics and Computer Science and also with other domains of knowledge. Mathematics, Statistics and Computer Science have played a very important role in building up modern civilization by perfecting all sciences. Setting a novel trend of interdisciplinary approaches, the three departments under the School are not only educating and training their respective students but also help in other disciplines in their regular as well as special courses by providing relevant skill to solve academic and technical issues.

(A) Department of Computer Science

The Department of Computer Science aims at providing opportunities for global excellence and local relevance in research, teaching and technology development. The department has well equipped air-conditioned lab with high end computers and required software including servers to provide computing facilities to the students. The department has a dedicated network printer/Centre for providing printing and scanning facility as well. The department has Tablets and Android mobile phones for development of android based applications. The department also offers several attractive training and workshop programmes along with industry tie up according to the market needs.

(B) Department of Mathematics

The Department of Mathematics has the objective of producing trained manpower for undertaking research and teaching in Mathematics, and allied branches of basic and applied sciences. The department offers a balanced blend of foundational, core and specialized courses. The courses are aimed to train the students in all the basic fields of Mathematics so as to develop in them skill for creative thinking, understanding fundamental concepts of the subject, problem solving and for achieving professional competence in Mathematics. The courses have been designed in such a way that the student will be able to learn the subject in a systematic and methodical manner under the able guidance of the faculty and general environment of the university. There are numerous avenues available to the students after the successful completion of the course.

(C) Department of Statistics

The Department of Statistics provides a vibrant and creative learning environment to students willing to make a career in the field of core and interdisciplinary statistics. The academic activities of the department emphasize deep understanding of fundamental concepts and development of the analytical ability to solve real-life problems. It also encourages students to engage in extra-curricular & co-curricular activities, essential for developing organizational skills. Classroom teaching of the department is supported by tutorials & the continuous evaluation system is followed to assess the progress of the students. There is a well-equipped computer laboratory with high speed Internet connection and softwares that include Minitab, SPSS, R, MATLAB and IBM Data Modeller to work with.

7. School of Media, Arts and Aesthetics

Human life is nourished by the elements of arts and aesthetics and the media is the center of human communication. In this respect media, arts and aesthetics are the integral segments of human life. The academic study of these aspects of life is significant so far as the total development of human life is concerned. To fulfill the academic needs, behavioural patterns and cultivation of futuristic ideas and patterns of life are the mission of teaching, training and research in the School of Media, Arts and Aesthetics. The core idea behind the establishment of the School is to develop such PG level courses to combine various media, culture and art forms together. The School is interdisciplinary in nature which enlarges students' umbrella of knowledge and understanding. Besides, the School aims to give hands-on

practical knowledge of various forms of media, arts and aesthetics with rigorous industrial training modules.

Centre for Mass Communication & Media

The ever converging world of mass media has fuelled the need for multi-tasking and multi-talented media professionals. While CUSB always aims at high academic standards, extra-curricular activities and innovative research, seminars etc., its Centre for Mass Communication and Media (CMS) enable the students to develop hands-on pre-requisite skills, interact with industry experts and exchange ideas with students from other institutes and backgrounds. All this altogether at CMS makes an amalgamation of brilliant ideas, top-class academic standards and best-in-class facilities. CMS is accustomed to experiment with various innovative academic activities to enhance the media understanding among students.

8. School of Social Sciences and Policy

The School of Social Sciences and Policy embodies cohesiveness of multiple disciplines that seek their relevance in understanding and analysing human behaviour in an integrated framework. The school has four Centres namely Centre for Development Studies, Centre for Economic Studies and Policy, Centre for Sociological Studies, and Centre for Political Studies. It continuously endeavours to blend its teaching engagement with empirical research and to provide holistic understanding of societal issues by correlating various disciplines to make students perfect human beings as well as social, economic and political people.

(A) Centre for Development Studies

The Centre for Development Studies (CDS) as a multi-disciplinary Centre, aims to equip the students with critical, analytical and applied skills that they use in future either as academicians or as development practitioners. It provides opportunities to students to critically examine a

relevant body of knowledge (theoretical perspectives and approaches). The academic programmes enhance the insightful understanding and interplay of social, cultural, ecological, political, and economic variables in the development process which is required to constructively deal with inequitable outcomes of the development.

(B) Centre for Economic Studies & Policies

The Centre looks at academic engagement with a difference. While the major focus is on teaching of basic principles of Economics, the Centre's search is for new epistemology both in theory and practice. It continues to focus on improving its course curriculum based on the evolving theoretical paradigms being witnessed in the field of Economics by different schools of thought. The diverse knowledge base in Economics and its ramifications on society and polity continues to be a primordial source of choice for direction of research. The Centre nurtures creative impulses of both faculty and students, and continuously provides forums for developing critiques of existing theories and practices only to create a new space for the latter. While doing so, it contextualises emerging theoretical postulations at all levels including local, sub-regional, national and international levels. The Centre aspires to develop it as a unique centre of learning and develop collaboration with other institutions for teaching and research.

(C) Centre for Political Studies

The Centre strives to cover all aspects of the discipline in the context of traditional, modern and post-modern approaches. It emphatically identifies the new problem areas of the society and tries to offer a solution through teaching and research. The Centre proposes to put political studies into practice to deconstruct the developmental issues related to the study of Political Science and International Relations. In its inter-disciplinary approach, the Centre provides an opportunity to combine both theory and practice.

The Centre incorporates the academic programme in Political Science and International Relations to equip the students with the philosophical and theoretical perspectives in the Indian and Western traditions along with their practical applications.

Central University of South Bihar boasts of superior accreditation after law institution

Top grade for Bihar varsity, second 'A' in state

OUR SPECIAL CORRESPONDENT

Central University of South Bihar has been awarded grade A by the National Assessment and Accreditation Council (NAAC) on Wednesday evening, adding another feather to its cap.

It is now the second university in the state to boast of the top NAAC grade, after Chhatrapati National Law University. The university ranked first in the state and had the 3rd best in the National Institutional Ranking (NIRF). It secured a cumulative grade point of 3.01.

"The university is functioning from its 50-acre main campus in Patna. It has 10 faculties and 100 departments. It has 10,000 students and 1,000 faculty members. The university was set up in 2009 and is in its 7th year of existence."
