From the Desk of Vice-Chancellor

Prof. Harish Chandra Singh Rathore
(DAAD & Humbolt Fellow)

I am very happy to present the Annual Report of Central University of South Bihar (CUSB) for the year 2019-20. It carries the reports of academic growth, co-curricular activities and development works that took place during April 2019-March 2020. Due to Global Pandemic Covid- 19, the bygone year remained quite challenging for us but with the combined efforts of our skilled and qualified faculty members, students and dedicated staff we succeeded in running the Academic activities efficiently. We took the Pandemic as a challenge and my team didn't leave any stone unturned for ensuring hassle free operations. In this moment of crisis the Internet came as a Boon for us, and we had utilized the Advanced technological tools for smooth functioning of office work as well as academia. For us, of course, the top priority was running the classes that could be possible through free available digital platforms. Further, we took the Bigger challenge for conducting offline examination by following Covid-19 guidelines. Besides classes and exams, scores of national and international level conferences and seminars (webinars) were conducted through web for enhancement of knowledge and exchange of ideas among the teachers, students and researchers. Worth to mention here that our Administrative officers and staff worked tirelessly with their physical presence in campus to ensure no loss of any work, hence I call them as 'Warrior' in Pandemic condition. CUSB could succeed in maintaining its momentum and also received laurels by achieving good positions in rankings carried out by Ministry of Education, NIRF and achieved Top position in the Education World Magazine Ranking. Covid – 19 has taught us a lot and boasted us with enough strength to move ahead towards our motto of 'Academic excellence' and continuing the Zeal for making a place among Top 10 Universities of India. Despite all these hurdles the University has succeeded in maintaining its academic calendar.

Message of Registrar

Heartfelt Greetings to All,

It is my pleasure to be a part of the Annual Report 2019-20 Editorial team and playing a crucial role in its compilation. As the Registrar, being at the Centre stage and ensuring the smooth functioning of various types of activities within the campus was quite challenging and at the same time satisfactory. This year, we got a new challenge in the form of Pandemic Covid – 19 locally called as Corona, and we battled with it in the right way with judicious administrative decisions taken under the guidance of Hon'ble Vice-Chancellor Prof. H.C.S. Rathore. Like the entire world, this period remained quite challenging for the CUSB fraternity to carry out the academia and infrastructure development activities. But, we believed on ourselves and managed to work by following the norms and guidelines set by the government. We have many achievements during this period that are documented in this edition of Annual Report, but I wish to specifically mention about a new addition in our kitty. The female unit of NCC (National Cadet Corps) established in the University and the cadet students performed very well in many state and national level competitions. In the coming years we are planning to incorporate NCC as the main subject into CBCS system. The University has signed an agreement worth Rs. 116 crore with CPWD (Central Public Works Department) for second phase of building construction, related amenities and campus development. As per the MoU, CPWD is supposed to build 64 staff quarters, 600 bed hostel, Central Library, Health Centre, Food Court, Small shopping centre and Animal House. I am fully optimistic that in the coming year our team of faculty members, students and researchers would write many success stories.
