Dear Alumni,

At the outset, as a Chairperson of Preparatory Committee of the Alumni Association of Central University of South Bihar let me welcome all our graduated students on the occasion of launching the life membership drive to form the GENERAL BODY of the Alumni Association of the University. I would like to share that an Ordinance of Central University of South Bihar Alumni Association (CUSBAA) has been put in place with the approval of the Statutory Bodies of the University which is enclosed herewith for your reference.

Associating with one's alma mater is always a great feeling and an Institution takes pride when it gets to know about the various achievements of its former students. Central University of South Bihar Alumni Association (CUSBAA) endeavours to bring all passed out students together and to provide them a common platform to create a life-long connection between the University and its Alumnus.

It has been more than one decade since the University came into being and in a short span of time this University has carved a niche with its functioning, infrastructural facilities, experienced faculty, programmes of studies, pedagogical innovations and conducive environment for holistic growth of students. If we talk about today, our graduates are spread throughout the country and abroad in pursuit of higher learning and job and their performances make a difference everywhere. This is the high time to come together on a common platform to utilize your proficiency and expertise for the developmental activities of the society at large and the University in particular.

In order to connect all the Alumni, the University has developed a dedicated page on the website of the University where all information related to the Alumni Association are set out. An online form has been devised for life membership registration which may be accessed through the link <http://www.cusb.ac.in/index.php/student/2016-03-31-10-41-54> on CUSB website.

We look forward to your involvement to make this Alumni Association a great success. We are proud of our alumni and hope to meet with you soon.

Sincerely yours,

Prof. Pradhan Parth Sarthi
Chairperson, Preparatory Committee
Central University of South Bihar Alumni Association
