suggestion and a detailed discussion was held, thereafter, the course structure was finalized and recommended by the BoS for further consideration and approval by the competent authority of the University.

Other recommendations:

1. The committee authorized the departmental committee to modify the existing structure/ distribution of course in odd/even semester as per the general policy decisions regarding PG/Ph.D. programme of the university in the light of NEP-2020. For such changes, it will not be required to take approval of the committee again.
2. BoS members authorized chairperson to make required changes in the course code, and other related issues to maintain uniformity when university would issue common framework related to course code.
3. The committee recommended that the Internship / Field study cost would be afforded by the students themselves.

All the proposed course structures were reviewed again and the committee expressed its satisfaction and resolved that the attached course structure of the said courses/programme be recommended for further approval by the competent authority of the University.

All the recommendations and/or suggestions given by the members of BoS are incorporated in the final copy of the course structure attached with this minutes.

The meeting ended with vote of thanks to the external and internal members for their valuable time and suggestions.
