Online Education

1. Does all programs/courses were completed on time.	Yes
2. Measures taken to complete the syllabus of courses and programs.	The university was under lockdown from mid-march 2020 onwards as per GOI norms/guidelines for COVID-19 pandemic. In order to complete the teaching for the ongoing semesters, a full fledge online classes as per the time table were commenced from April first week onwards. Due to this prompt decision the academic losses were minimized and the students were trained and guided accordingly. Even though this practice was very new and tiresome for faculties, then also they worked hard to deliver their best with the constrained resources they could have. To compensate the academic loss for March, 2020, a university committee was constituted and based on their recommendation, the online classes were also held during Saturday. Moreover, to ease the stress of the students, the examination for the concerned semesters were delayed by 1 months to give them ample time to deal with the situation and prepare for the examination. During this extra period, every faculty member gave their extra effort to interact students on one to one basis using a dedicated WhatsApp group for every course to clarify their doubts and relive their stress. All the faculty make use of all available platforms like WhatsApp, google classroom, google meet, ILMS etc. for conducting their classes and sharing notes on regular basis. A timely guidelines issued by UGC and GOI also gave a discrete but a flexible path to choose a right pave way for conducting online classes and dealing with the situation during the stressed time. It is also observed that students have started to get boredom and anxiety especially for low income family, as they have to buy internet quota to cope up with online learning. A concerned committee as well as every faculty member interacted with these groups and conducted several counselling and interactive class even through voice call to clear their doubt on one to one basis. In addition, to reduce screen time of the students, the university decided to supply handwritten notes/presentation to students to help them finish their courses.
3. The period of delay in completion of syllabus (in months).	0
